

MEDICAL DIAGNOSTIC FORM FOR FEI PARA EQUESTRIAN CLASSIFICATION

The person named below is required to undergo Para Equestrian Classification to compete at International level of their chosen sport. During the classification process the approved Classifier (physiotherapist or medical doctor) will assess their physical Impairment as relevant to the requirements for riding or driving a horse. Each Athlete must have an Eligible Impairment that leads to permanent and verifiable activity limitation which can be measured objectively through the classification process.

Relevant and appropriate medical documentation is essential to the process of Classification of Athletes for International Para Equestrian Competition. Confirmation of the medical diagnosis and a summary of results of relevant medical investigations to support the diagnosis and resulting impairment/s is required. In some instances, a copy of a report or additional diagnostic evidence from a medical specialist e.g. neurologist, is also required.

Information disclosed on this form will be stored confidentially by the FEI in accordance with the FEI Classification Rules.

For FEI Classification this information must be provided in English or an authorised translation provided.

Please fill in electronically or print clearly.
